

Introducing...
Members eHealth™, an
online, health insurance
buying process for
DFCU Financial members!

With health care reform, layoffs and career changes more people are faced with purchasing their own health insurance.

Traditionally, purchasing health insurance has been a tedious and paper intensive ordeal. Members eHealth™ allows you to shop and compare coverages anywhere you can access the internet; providing you with the tools necessary to find the right plan at the right price.

Health Insurance *Made Easy!*
