Secure Delivery Contact Information

If you are updating your email, home phone, or cell phone (SMS text), please sign on to DFCU Online to update your Secure Delivery Contact Information. A Secure Access Code is a one-time use code that allows you to securely login to DFCU Online. It is delivered to you via email, voice phone call or SMS text (cell phone). This contact information will be used for Secure Access Code delivery only.

Authorization

All of the accounts associated with the Address Type section of this document will be changed to the new address listed above. If You only have one address on file with the Credit Union, all of the accounts that are reported under Your SSN will be changed to the new address. A separate Change of Contact Information may need to be completed for each person associated with your account(s).

All Credit, Automated Teller Machine (ATM) and Debit cards issued to a person will be mailed to what the Credit Union has documented as the person's Primary address type, regardless of the address type associated to the account for which the card is linked, unless other arrangements are made with the Credit Union. If no Address Type is selected, what the Credit Union has documented as the person's Primary address type will be changed to the address documented on this form. For more information, please contact Us at 888.336.2700.
