## Fall POST 2018

BILL! DO YOU FEEL THE CRISP AIR?

Yes, Fall has arrived! Time for bonfires, Michigan apples and cider!

...and cider mill donuts?  
Can we go get some!?

Right now!?

We need to see how much money we have saved first, take it to **DFCU Financial** to put in our savings accounts and then decide how much we have left to spend.

Did someone say donuts?

Buck, I didn't see you there!

That's why Fall is my favorite.  
I can hide in the orange leaves!

Come with us to **DFCU Financial** and then to the cider mill.

You don't have to pull my tail. Let me grab some of my savings, too.

Always be sure to have some spending money for your apple orchard visit! Have some free fun too...hikes, bike rides, leaf hunts and jumping into big piles of leaves!

# PENNY'S Apple Dipper Stix

## Ingredients:

- 3 apples
- 10oz melting chocolate
- Wood food skewers or lollipop sticks
- Toppings for your liking: coconut flakes, crushed pecans or sprinkles
- Parchment paper

## Directions:

1

Wash your apples. With an adult, use an apple corer or slice your apples.

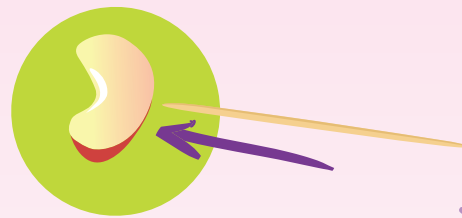

2

In a microwave-safe bowl, melt your chocolate for 2-3 minutes, stirring every 30 seconds until melted.

3

Place a skewer into the bottom of each apple.

4

Hold the skewer and dip each apple into your bowl of chocolate, use a spoon to help cover the apple.

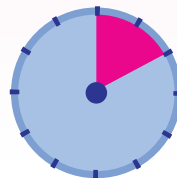

5

Place your apples on a piece of parchment paper and sprinkle with your toppings.

6

Place in the fridge for 10 minutes for your chocolate to harden... if you can wait that long!
